

Skyline Spartans Lacrosse Club

3020 Issaquah-Pine Lake Road #487

Sammamish, WA 98075

The Skyline Lacrosse Club offers sponsorship opportunities to companies and individuals who can generously provide donations to support our lacrosse program. Sponsorship can provide your organization with valuable exposure and brand recognition across the Skyline Lacrosse community.

At the high school level, boys lacrosse is not currently sanctioned by the Washington Interscholastic Activities Association (WIAA) and receives no funding from the high school. Therefore, all costs including field rentals, coaching, operations and equipment are the responsibility of the Skyline Lacrosse Club.

As a non-profit organization, we strive to ensure that participation in the great sport of lacrosse is available to all players from kindergarten through high school regardless of economic circumstances. As a result of the donations from generous sponsors, we continue to drive down the cost of participation as well as provide financial scholarships to those in need.

HOW CAN I BECOME A SPONSOR

Contact Jacques Bouchy at jbouchy@msn.com or 425.681.3132

OR

1. Go to the [Sponsor Page](#) on the skylinelax.com website
2. Scroll down, click the "Become a Sponsor" button and donate via Paypal
3. We will follow up with you to provide specific sponsorship details and promotional opportunities

It is a win/win situation where you receive the exposure and goodwill as a result of your generosity and boys from kindergarten through high school can affordably access playing the great team sport of lacrosse.

Thank you for your consideration.

Jacques Bouchy
